The Art of Music vocal ensemble was founded in Luxembourg in 1993. It takes its name from an anonymous Scottish treatise written in the late 16th century.

Its aim is to revive unjustly neglected music from that and earlier times.

The full Latin text, with an English translation, will be provided in a free programme booklet.

The Church of St John in the Grund is served by the No 23 bus, which leaves City Station at 16.29. The nearest car-park is St-Esprit.
