*The Art of Music vocal ensemble was founded in Luxembourg in 1993. It takes its name from an anonymous Scottish treatise written in the late 16th century. Its aim is to revive unjustly neglected music from that and earlier times. For more details see [www.aom.sarumlux.net](http://www.aom.sarumlux.net).*

*The full Latin text, with an English translation, will be provided in a free programme booklet.*

*The Church of St Alphonse is close to the Capucins Theatre. The nearest underground car-park is Place du Théâtre.*
