Have a Blessed and Happy Easter

"We have been in a lock-down and lock-in for so long now, so it is WONDERFUL to see the leaves are getting green and buds are coming out, yard chairs are cleaned up and put to use and even the lawns need to be mowed! Short sleeves an open windows! What an encouraging time of the year", Berit Skaare, USA, March 2021 , in her Easter Letter.

We thank you for your great support during COVID-19 outbreak. It was possible to rescue thousands of lives in 2020. May God bless you as you celebrate this Easter.

With God's Love, Enjoy the Easter
