LOVE IS THE ANSWER!

How do we show our love for God?

- By saying our **p** __ **y** __ (sarre)
- By being __ **n** __ to others (dki)
- By saying __ **r** __ when we do wrong (yosr)
- By going to __ **h** __ (rcuch)

Following God's commandments

If we love God and love other people we are doing everything that God asks. How are you going to love God this week? (Remember, if you love God you will love everyone God made, and if you love others you will be loving God.)

Draw or write your ideas in the heart.

Love our neighbour

Fill in the crossword to find out ways that we can love our neighbour.

Across:

1. If our neighbour is late and we are in a hurry, we can show love by being this way
3. When we give others some of our things
6. When someone is talking, we love them if we give them our full attention

Down:

1. We show love by speaking to God about someone
2. When someone helps us, we should say this to them
4. We show love to others by wrapping our arms around them
5. If someone does something bad to us, we love them by telling them that we F _____ them

Jesus told us to love our neighbours as ourselves.

To do at home

You will need:

- Scissors
- Felt tip
- Card

To make:

1. Cut out a circle (someone kind will help you). Write **God** on one side, and **Others** on the other side.
2. Toss it up, to see which way it lands. It's like two sides of a coin.

THINK: If you love God you will be kind to others, and if you are kind to others you are loving God!

A PRAYER TO SAY

Dear Jesus, thank you for loving me so much. Please help me to love you with all my heart and to love other people, just as much as you did. Amen.
